To Whom It May Concern

Subject: Letter of Recommendation for Nuvalu Polska Sp.z o.o.SP. k.

This is to certify that Nuvalu Polska has delivered superior quality service in the search and successful leasing of our office/lab/warehouse facility in Warsaw, Poland. I found that Nuvalu delivered a comprehensive outline of locations available in a timely manner and was able to quickly refocus our search once the criteria for our location had changed.

Nuvalu's representatives were professional and willing to help me both professionally and personally with our facility acquisition and expansion into Warsaw. They were qualified and committed to procuring our facility and help in negotiating the best possible terms for our lease. Therefore, I would highly recommend their services.

I hope that you experience the same level of satisfaction enjoyed by me during our interaction with Nuvalu Polska.
